

Williams County Economic Development Corporation February 2021 Member Update

Advertising through OhioMeansJobs Williams County

The OhioMeanJobs (OMJ) Williams County office recently purchased a new device to advertise jobs; the giant tablet can also be used by job seekers. When it is not in use, it goes to “sleep” and runs through a slide show of various job opportunities. Positions will still be posted on the job board in the job center, and on the OMJ Facebook page ([OhioMeansJobs Williams County](#) or [@OMJWilliams](#)). Employers are asked to submit job flyers to Sunshine Faunce via email.

What is OhioMeansJobs.com?

[OhioMeansJobs.com](#) is a free service that not only allows your company the freedom to post, update, and expire job postings but to also search resumes that job seekers have made public on the site. If you have any questions, or need assistance, please feel free to reach out to **Sunshine Faunce** at 419-633-5258 or at sunshine.faunce@jfs.ohio.gov.

Community Corner: High-Five to Thrive

Our February High-Five goes out to our partners at the OhioMeansJobs office!

OhioMeansJobs Williams County is a wonderful asset to Williams County. WEDCO & OMJ have partnered on many successful events like the Williams County Job Fair, Manufacturing Day Events, and hosting tours for youth at manufacturing facilities; these are just a few of the ways they have helped support workforce development in Williams County.

OhioMeansJobs Williams County mission is to help bridge the gap between employers and job seekers. *A special thanks goes out to Sunshine Faunce, Workforce Development Coordinator, for all of her efforts.*
